THINK OF A THREE-SESSION THEME FOR May 27, June 5 & June 12 -

Fall Semester – each teacher plans lesson 3 times and assists three times over an eight week period

Winter/Spring Semester – each teacher plans a lesson six times and assists six times over an eighteen week period – we can easily break out winter and spring to lessen teacher load – i.e., each session nine weeks with teachers each planning and leading lesson 3x's and assisting 3x's

Order two/three copies of each curriculum – this summer –

Set date for Teacher Orientation

New/more members on RE Team

Different team for “Fun Friday” planning –

Lock-In – Parents night out?

\*Parents who volunteer in RE will have a night out! Activities @ the church for children & youth. Once or twice a year???

Friday – April 6 – Passover Dinner – not a Fun Friday

G&V is thinking about initiating a monthly “Happy Hour” at the church – what can we do for kidos?

Older Youth should be asked if they would like to design the sets and props for the Holiday Play, they would need an adult to help supervise them.

Alex Beiger and Cynthia Watta to share childcare position, with Javan Cook (hopefully) as an aide to help his move into the position next year if desired.
